2023 FIELD REPORT

63

NIGHTS OF  
CRUSADES  
IN 2023

# Will you join us?

As you explore this edition of *Impact Magazine*, you'll discover the remarkable ministry initiatives we embarked on together in 2023. You will also learn about our ambitious plans for 2024.

As we celebrate 50 incredible years since our ministry's inception in 1974 by our founder, Evangelist Reinhard Bonnke, we continue to echo Reinhard's prophetic call: "From Cape Town to Cairo, Africa Shall Be Saved!" in 2024, marking this outstanding milestone, we plan to conduct 50 Gospel crusades across 50 African cities, from Cape Town to Cairo.

**"The vision for 2024 is going to require 'all hands on deck,' not only from our team worldwide, but from every financial partner of the ministry as well. Together, we will see prophecy fulfilled and a greater harvest than we've ever witnessed before."**

Evangelist Daniel Kolenda

To learn more about how you can participate in this 50th-year celebration from Cape Town to Cairo, scan the QR code or visit [cfan50.org](http://cfan50.org).

FROM THE  
**P R E S I D E N T**  
EVANGELIST DANIEL KOLENDA

Dear Ministry Partners and Friends,

It is my great privilege to write you this letter testifying about the goodness of God over the past year, and personally thanking you for your partnership in the harvest. The scale and impact of our work would not be possible without our faithful friends and partners around the world. What a joy to make history together for the glory of God!

At Christ for all Nations, we are stepping over a significant threshold of fifty years of ministry. And what a glorious fifty years it has been! Things that once felt impossible are now normal, by the grace of God. We've preached the Gospel to millions of people, and **over 90 million** of them have made documented decisions for Christ. We celebrate every decision, and we press in for more. In this Decade of Double Harvest, we are aiming for 150 million decisions for Christ. We are not slowing down; we are running faster than ever, straight to the harvest fields!

In 2024 we are planning something monumental and historic to commemorate our fiftieth year. **We will conduct 50 crusades across the African continent from Cape Town to Cairo.** We are planning these events strategically to maximize our impact and pass a landmark of 100 million documented salvations by the end of 2024. CfaN was founded upon Evangelist Reinhard Bonnke's vision of the entire continent of Africa covered in the blood of Jesus. We continue to partner with the Lord for the fulfillment of this vision.

We are faithfully continuing our divine mandate to multiply and collaborate. Through the **Evangelism Bootcamp, Nations College, Schools of Evangelism, and Fire Camps**, we are training an army of evangelists, as well as many ordained for five-fold ministry. In each program, we are imparting the wisdom gained through decades of ministry to the next evangelists. We are equipping and training laborers for the harvest and growing the CfaN family. **The Evangelism Alliance now has over 2,300 members.** They are leading initiatives across the globe on almost every continent. We are collaborating to pull in the greatest harvest in history!

This edition of Impact looks back over CfaN's activities in 2023. We love to celebrate the testimonies of salvations, healings, and miracles with you. You will read about **crusades around the world** where God's power transformed lives and whole regions. Let each article build your faith and inspire you. Nothing is impossible with God (Luke 1:37).

As we look ahead, we feel confident pressing into the promises of God like never before, to see prophecy fulfilled and history made. We hope you'll join us!

Together in the Harvest,

A handwritten signature in blue ink that reads "Daniel Kolenda".

# THE JOURNEY SO FAR

## 50 YEARS OF MIRACLES

Ever since Evangelist Reinhard Bonnke founded our ministry back in 1974, his dream of a “Blood-Washed Africa” has been the heartbeat of everything we do. As we look back at our incredible impact, we’re excited knowing that the best is still ahead of us. ■

OVER  
90 MILLION  
DECISIONS  
FOR CHRIST

GLOBAL

## ► Milestone Achievements (1974-2023)

We stand in awe as we share this staggering number: over **90 million** souls have committed to a new life in Christ through our efforts. Your partnership has made each and every one of these life-altering decisions possible.

### GLOBAL OUTREACHES: 31,886

Our ministry has orchestrated tens of thousands of outreaches worldwide for nearly five decades. This is not just a statistic; it's a testament to the global hunger for Christ's message.

### HEARD THE GOSPEL: 174,566,014

Our message of hope and transformation has reached the ears – and hearts – of over **174 million** individuals worldwide.

## ► Year-in-Review: Highlights from 2023

### DECISIONS FOR CHRIST: 3,526,854

The harvest continues to be abundant, with millions more embracing Christ just this past year.

### OUTREACHES CONDUCTED: 14,020

Our mission continues to flourish; this year alone saw over 14,000 outreaches.

### HEARD THE GOSPEL: 11,178,114

Millions more have been introduced to the Gospel this year, each one a seed sown for a future of spiritual growth.

## ► Decade of Double Harvest: Multiply and Collaborate

IN 2017, EVANGELIST DANIEL KOLENDA HAD AN IMPORTANT VISION THAT HAS BECOME OUR SPIRITUAL COMPASS.

God told Daniel that He would double the number of souls won via our ministries' efforts in the coming decade, making it a "Decade of Double Harvest." We are aiming for 150 million documented decisions for Christ by 2030. This will happen through two main strategies: MULTIPLICATION and COLLABORATION. Raising up thousands of evangelists and working with them, churches, businesses, and other ministries to bring in the end time harvest!

If you feel led to support our soul-winning ministry, go to:

**cfan50.org**

# 50 Crusades to Celebrate 50 Years!

In 2024, we are celebrating **50 years of Christ for all Nations** ministry – our Golden Anniversary – and what an amazing 50 years it has been! We've documented over 90 million salvations. We've seen entire cities, and even nations, shaken by the power of God. And in 2024, as we celebrate 50 years as a ministry, we will conduct 50 Gospel campaigns, in 50 cities/regions across Africa, starting in Cape Town and ending in Cairo. We will work to see 10 million people come to Christ in our 50<sup>th</sup> year. **This will bring the total number of documented salvations to 100 million!** And we will do all of this for around 20% of what it used to cost. This is true multiplication!

GLOBAL

## Yes, it CAN and WILL be done

Such an accomplishment is possible only because we have been working to “multiply” ourselves on every front. We are multiplying evangelists, campaign organizers, technicians, teachers and our volunteer work force. It has been a monumental task, but it has proven highly effective – even more effective than we could have dreamed.

To date, CfaN has trained more than 2,300 evangelists and campaign organizers through several different training programs (including Fire Camps, School of Evangelism and the CfaN Evangelism Bootcamp). After graduation, these evangelists from around the world are brought together in the CfaN Evangelism Alliance, where they continue to collaborate with CfaN and with one another. Through that Alliance, millions of souls are coming to Christ every year.

## All Hands on Deck!

Reinhard Bonnke used to describe CfaN as a “combine harvester.” Today, we are more like a fleet of combine harvesters, working together in lockstep. CfaN is not about one man, one brand or one ministry. It is about seeing the greatest harvest in the history of the Church being reaped! We are seeing the fulfillment of Reinhard’s dream when he heard the Lord say that he would be a forerunner for a whole new generation of evangelists.

This year, we will put everything to the greatest test CfaN has faced so far: 50 campaigns, 50 cities, 10 million documented decisions, bringing the total to 100 million. We will go from Cape Town to Cairo! Prophecy will be fulfilled. We will call on all 2,300+ evangelists and organizers to put their hands to the plow. It will require “all hands on deck.” We believe it will not only be the greatest harvest we’ve ever seen, but it will spark the next wave of evangelism far beyond CfaN. ■

# Evangelism Bootcamp

## Report

118 STUDENTS  
FROM 14 NATIONS

**152,203**

DOCUMENTED SALVATIONS

### 5 Classes of Elite Evangelists

118 students from 14 nations graduated from our fifth Evangelism Bootcamp. This is CfaN's most elite training program, designed to prepare evangelists to reach multitudes through crusade evangelism. As we look toward the future, we feel the urgency of the hour. This is perhaps the greatest season of harvest worldwide, and we need all "hands on deck." It is time to work together to call cities, countries, and continents to follow Jesus.

USA

## Fruit that Remains

Evangelism Bootcamp students spend three months at our CfaN Headquarters in Orlando, Florida. They receive rigorous training in theology, ministry, and practical topics. Christ for all Nations has a rich history of crusade evangelism – nearly fifty years of ministry and over 90 million documented decisions for Christ. Now is the time to teach and impart our expertise, so we can expand this harvest work across the globe.

## Hunger and Humility

Bootcamp Director Levi Lutz shared that this year's class was marked by humility and hunger for God. They demonstrated maturity and deep commitment to preaching the Gospel. Through the program, they learned to excel in their callings from some of the top evangelists worldwide. They grew in their personal relationships with Jesus through morning devotional times. They cried out for souls to be saved at prayer meetings. They were coached and mentored personally in their preaching skills. They shared the Gospel and saw many saved at weekly outreaches and at Nations Church block parties. Then we sent them into the mission field.

## Prepared and Passionate

Students and leaders went to Uganda for the three-week initiation trip. There, they went to the marketplaces to preach the Gospel and pray for the sick. They carried out youth crusades and preached on Gospel trucks. They saw miracles and salvations everywhere they went. Our spring 2024 Bootcamp class will continue this work in Uganda. The region is vast, and we want to reach everyone! This year, the students will join us there for ten Gospel crusades. We look forward to everything God will do through these graduates as they launch into ministry, prepared and passionate! ■

We give the students a behind-the-scenes view of the ministry so that they can build solid ministries for themselves, with firm foundations that will produce fruit that remains.

Evangelist Daniel Kolenda

Going to Nations College has meant that the ache deep within me to learn more of God's Word has been addressed! I've listened to the cry of my soul to

# Launch of Nations College

## A new era of higher education at CfaN

hunger after God. Every day, when I go to class, I discover more of who He is and who I am. The teachers and professors are training my eyes to see God's Word more vividly than I've ever done before. I'm so grateful that God has honored my request for more of Him through sending me here!

Jordan Pounds,  
Nations College Student

Celebration was in the air this past fall as a new era in Christian higher education began at the Christ for all Nations headquarters in Orlando, Florida! The historic boardroom of world-renowned Evangelist Reinhard Bonnke, is now the home base for a newly launched, two-year Christian college. With decades of experience in planning mass evangelistic crusades, and with over 90,000,000 documented decisions for Christ, CfaN is one of the best training grounds for the next wave of Holy Spirit evangelists. CfaN president Evangelist Daniel Kolenda is the founder and president of this new two-year school of ministry.

## Anointed Faculty

The faculty for Nations College includes seasoned and anointed men and women of God, such as world-renowned theologian, Dr. Michael Brown and founder, Evangelist Daniel Kolenda. Other teachers include Professor Steve Alt, Dr. Phil Gauthier and Pastor Levi Stewart. Adjunct faculty will be on-hand throughout the fall and spring semesters. A two-year associate degree is being offered, with articulation agreements with other Christian colleges and universities available. As a result, students who graduate from Nations College will be able to transfer credits to other schools of higher education.

Both the faculty and students are tremendously blessed by the historic launch of Nations College on the Christ for all Nations campus in Orlando! ■

## Welcoming the First Class

On Monday, August 28<sup>th</sup>, Evangelist Daniel Kolenda led the exciting ribbon-cutting ceremony. CfaN's International Director, Russell Benson, was also present to welcome the very first class of Nations College freshmen. The mission of Nations College is to equip each of the students to reach their full potential in Christ by providing sound theological training in a Holy Spirit-filled atmosphere. This is one of the greatest seasons in harvest history, and there is an urgency to train and equip leaders for ministry.

The freshmen class consists of incoming students from across the United States. Each has secured housing in the Orlando area, while local students commute to classes. Classes are held weekly, Tuesday through Thursday. The campus currently consists of the CfaN headquarters as well as the CfaN Ministry Center. This building was purchased by CfaN last year, and is also home to Nations Church's new Oak Ridge campus and the CfaN Bootcamp, an elite 3-month training program for evangelists.

# Schools of Evangelism

## The Family of Evangelists is Growing

At Schools of Evangelism (SOE), each student is equipped to preach the Gospel and plan evangelistic campaigns, especially in their own country or continent. They are trained by Evangelists Daniel Kolenda, Levi Lutz and many others, in a unique and comprehensive program. The SOE is not your typical Bible school. CfaN evangelists give their entire lives to spreading the Gospel, and that is the calling we invite our students to share. We are working together to bring in the greatest harvest in history! This year, we trained 135 students at four SOEs, and they led 45,526 people to Jesus.

## Germany – Hanau

Top evangelists shared their wisdom and experience. Practical sessions covered preaching the Gospel, praying for the sick, leading testimony times, planning campaigns, and fundraising. Students practiced and were also coached on their new skills. There were times of deep prayer, when students ran to the altar, committing to the call of God in their lives. During outreaches and the initiation trip, 81 students led 400 people to Christ. The School of Evangelism (SOE) finished with a Gospel Crusade where 124 people gave their lives to Jesus! There is nothing better than on the field training!

## South Africa – Johannesburg and Cape Town

This year in South Africa, the School of Evangelism (SOE) team built on the tremendous success of the first-ever SOE last year. They held two SOEs and branched out into another province. During the SOEs in Johannesburg and Cape Town, students had 395 outreaches where a total of 35,501 people gave their lives to Jesus! They did youth outreaches, marketplace outreaches, pop-up crusades, and one-on-one evangelism. They also had several large events including a Youth Crusade at the Springs Highschool. We had students from South Africa, Zimbabwe, Zambia, Tanzania, Malawi, Ghana, Angola, and Namibia. What a joy to train African evangelists for Africa!

## United States – Columbus, Ohio

We held our first USA School of Evangelism (SOE) this year. Students had classroom instruction on many aspects of ministry, from theology to practical evangelism. After this, during initiation, they put what they have learned into practice. During these two weeks, four teams of evangelists went out six days a week for eight hours daily, evangelizing in Columbus and the surrounding communities. 298 people made decisions for Christ! We also held a two-day tent service in the inner city of Columbus, where people were saved, healed, and filled with the Holy Spirit. ■

**USA**

**fire CAMP**

# Fire Camps

## A Family of Burning Ones

**ZAMBIA**

## The Vision

Fire Camps bring together about 50 to 100 students for one week of encounter and equipping in an intimate family setting. Matt McCluskey pioneered the Fire Camps in 2021, and Ingrid Schlaht, a Bootcamp graduate, is the main organizer. Matt, Ingrid, and teams of Bootcamp graduates teach, coach, and lead at the camps. The first days are spent learning about identity as sons and daughters of God, not based on

performance or talent. Students practice hearing God's voice, which leads them into greater intimacy with Jesus. Next, students are equipped to preach the Gospel in the CfaN style. Evangelists who already have a heart to share the Gospel one-on-one, learn how to fish with a big net to reach the multitudes.

**The vision is to equip families of evangelists in every nation to preach the Gospel boldly in their communities.**

GLOBAL

## The Abundant Fruit

God can do a lot in one week! Many students experience freedom and breakthrough in their personal walks with Jesus. They overcome the fear of man and preach in the streets, often for the very first time. Through Fire Camp outreaches, hundreds of people have come to Christ all around the world. The testimonies are proof that the Gospel is powerful. **In 2023, we had 20 Fire Camps in Europe, North America, South America, Asia, Australia, and Africa.** On the streets, healings took place, people were delivered and set free, and others wept, experiencing the power of God.

Graduates are invited to join the CfaN Evangelism Alliance and participate in global initiatives. Some students are on the plane to Africa or Asia for Youth Crusades within weeks of graduating. After just one week of training, they are leading thousands to Christ alongside Bootcamp graduates on the field! When we link arms and work together, we can reach cities, nations, and continents for Jesus. ■

Find out more about Fire Camps trainings and apply here:

[CfaNFireCamp.org](http://CfaNFireCamp.org)

God is raising up a mighty wave of Jesus-loving evangelists across generations to bring in a powerful harvest in this decade. The heart of Fire Camps is to gather a company of burning ones who sense there is an assignment in their lives to preach the Gospel in front of hundreds, thousands, or even tens of thousands. We want to impart the wisdom and grace that God has birthed at CfaN over the past decades, as it relates to the presentation of the Gospel. Then, students are invited into the CfaN family of evangelists, who dream together of seeing cities and nations shaken with the Gospel of Jesus Christ!

7,955 YOUTH CRUSADES

2,163,281 SALVATIONS

# Youth Crusades

## Report

### Choosing Jesus

In this generation, young people around the world are being influenced by many things, and the choices they make will affect the rest of their lives. Hearing the Gospel as children or teenagers can influence their futures, and those of their families, for eternity. This is why one of the priorities in the Decade of Double Harvest is to reach youth in Africa and the nations.

## Boots on the Ground

Youth crusades are a great way for CfaN Evangelism Alliance members to work together for the Gospel. Bootcampers lead the teams, and Fire Camp and School of Evangelism graduates are invited to join. The initiatives are reaching far and wide, with outreaches in over thirty nations on six continents in 2023. After students graduate from Fire Camp or School of Evangelism, they are passionate about putting what they have learned into practice. Some join outreach teams within weeks, going straight from the classroom to the mission field.

## Kenya for Jesus

Over 60% of the population of Africa is under 25 years old, which is even more reason why this age group must be reached for Jesus. This year, CfaN focused on youth crusades in Kenya. We set up storage containers with speakers and follow-up material that all the teams could use. Most teams came for two to three weeks, and together they led hundreds of outreaches. Team after team flooded in, and the results were incredible!

## Reaching Asia

Other teams felt called to reach the youth of Asia. The largest youth campaign in CfaN history was in Manila, Philippines, where thousands attended and 8,030 youth decided to follow Jesus. How beautiful to see so many young lives forever changed by the power of the Gospel!

## Follow-up

Evangelist Daniel Kolenda wrote follow-up booklets called “What’s Next?” designed especially for each age group. They explain the next steps in continuing to follow Jesus. Everyone who attends youth crusades receives this important resource.

## The Future

This year, we will reach even more young people for Jesus! Youth crusades are already planned throughout the year in many nations. As the teams continue to multiply, the Gospel is spreading farther than ever before! ■

# Zambia

APRIL 26 – MAY 7, 2023

## How to turn 10 days into 55 nights of evangelism!

In April and May of 2023, CfaN made history in mass evangelism. For the first time ever, CfaN conducted 11 mass evangelistic crusades in 11 different cities and districts across the nation of Zambia simultaneously! These campaigns lasted 5 nights in each city for a total of 55 nights of massive evangelistic meetings in less than two weeks. That's 55 powerful meetings in 10 glory-filled days. During the initiative, which included a "Gospel Invasion" (in which evangelists trained by CfaN flooded the towns), we recorded over 2.6 million in attendance and 1,040,720 documented conversions.

To put these amazing stats into perspective – we used to conduct 6 or 7 campaigns in a whole year, and our previous record was 9 campaigns in one year. Now, the CfaN team has conducted 11 full campaigns in under two weeks!

Each of the 11 cities had a pair of evangelists ministering in most of the meetings.

These evangelists were graduates of the CfaN Evangelism Bootcamp. Daniel Kolenda traveled to a new city each day and preached one night there. This strategy allowed us to get many times the “bang” for every “buck.” All of our efforts (church mobilization, printing, advertising, transportation, technical support, etc.) were leveraged to benefit all 11 cities, allowing us to conduct 11 campaigns for nearly the same amount of money and time we used to invest into just a single campaign!

Hundreds of CfaN team members, Bootcamp graduates and more than 97,000 Zambian volunteers worked side by side to make the event possible – a true testament to the power of unity.

MAY 3 – 7

## Lusaka – Hero Stadium

with Evangelists Joe Turnbull and Evelina Smane

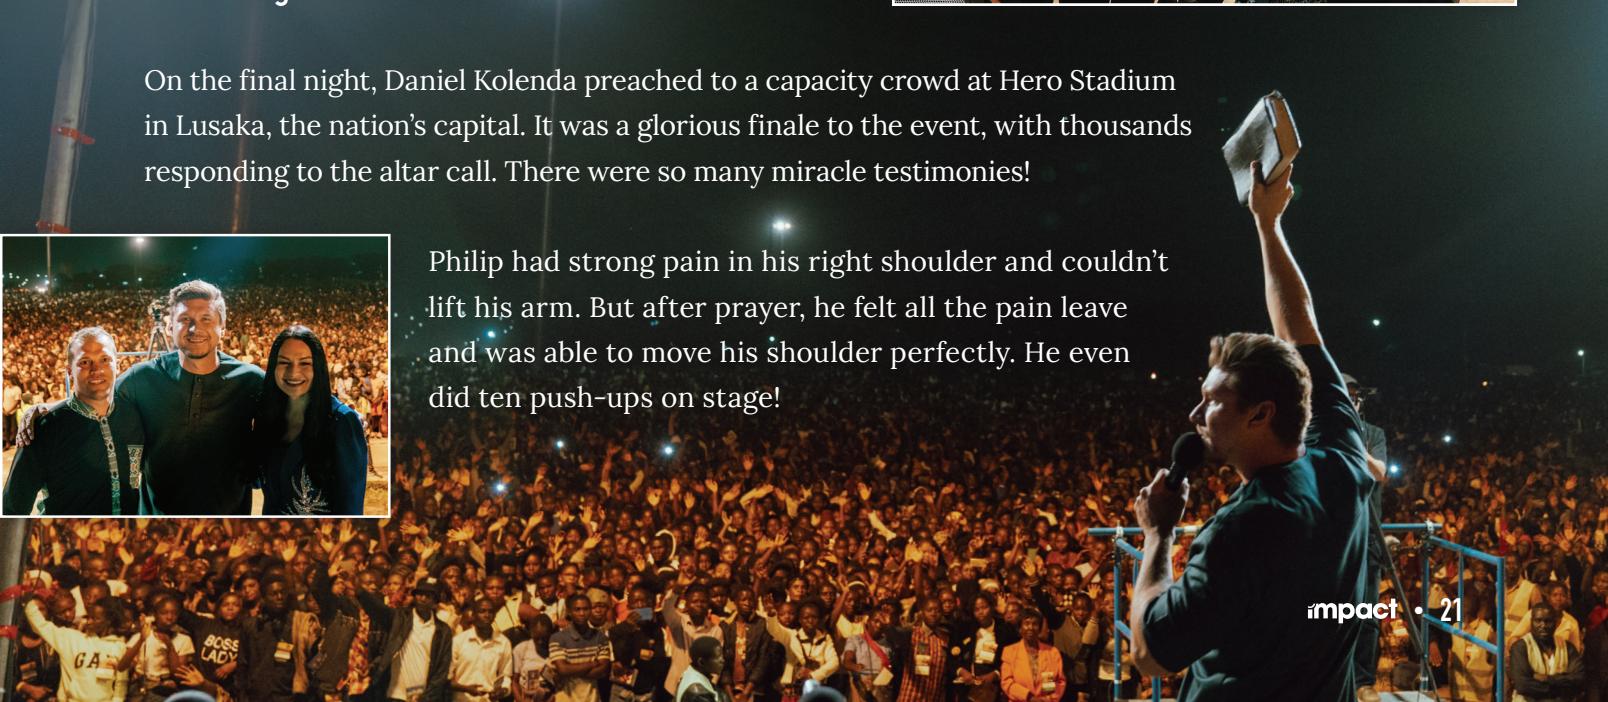

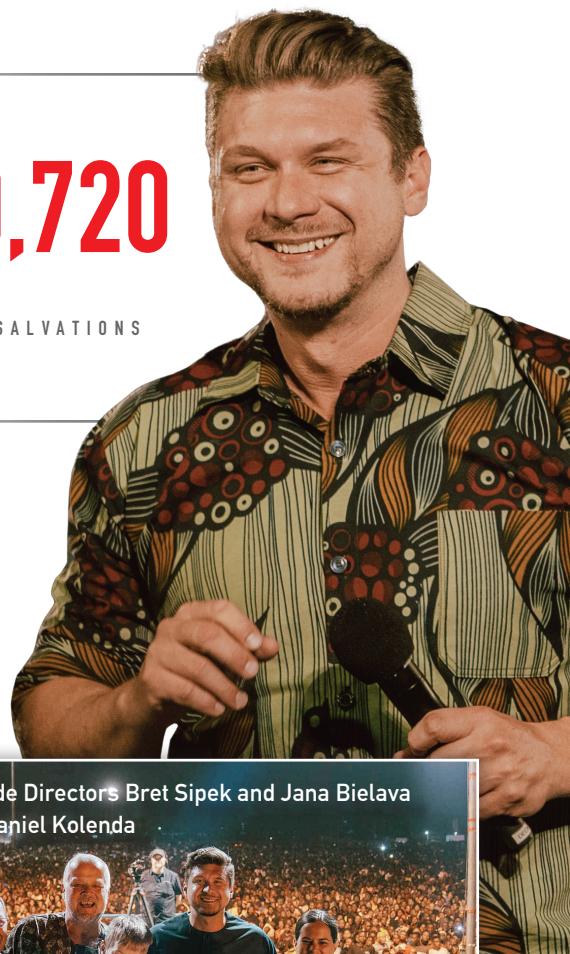

On the final night, Daniel Kolenda preached to a capacity crowd at Hero Stadium in Lusaka, the nation’s capital. It was a glorious finale to the event, with thousands responding to the altar call. There were so many miracle testimonies!

Philip had strong pain in his right shoulder and couldn’t lift his arm. But after prayer, he felt all the pain leave and was able to move his shoulder perfectly. He even did ten push-ups on stage!

# 1,040,720

DOCUMENTED SALVATIONS

APRIL 26 - 30

# Mtendere

with Evangelists Jacob Ebersole and Evelina Smane

A woman named Elizabeth was totally healed after not being able to walk properly, or even stand up, since 2019.

Another woman named Margret had a stroke and could not walk well for the past 14 years. After prayer, she was able to walk and threw her walking stick away.

Mansa

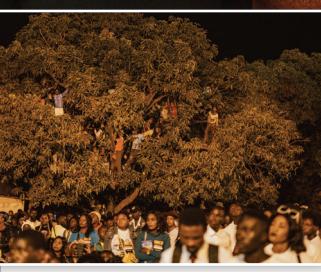

with Evangelists Levi Lutz and David Rotärmel

After preaching the Gospel, we burned fetishes, charms, amulets and idols. An unusually large haul of “juju” was surrendered here as multitudes turned away from witchcraft to serve the living God. Evangelist David Rotärmel then prayed. Utilizing a list of locally known curses and “gods” (provided by the locals), he denounced them and broke their power in Jesus’ name.

AFRICA

MAY 3 – 7

## Chingola

with Evangelists Randy Roberts and Lukas Report

The field was so packed, people were on top of buildings, crowding the roads, and even sitting in trees to hear the Gospel!

MAY 3 – 7

## Chawama

with Evangelists Brittany Sanderlin and Levi Lutz

Can you imagine not being able to do the simplest tasks for five long years? That was Priska's reality, paralyzed from the waist down. Every attempt to use her legs ended in a painful tumble. But Jesus healed her! Suddenly, she could bend down and move around the stage with ease. When she tested her newfound strength, tears welled up in her eyes, and she raised her hands high in the air.

Doctors diagnosed Irene's four-month-old unborn baby as dead and prescribed medication for removal. However, after attending the Gospel Campaign, Irene felt her baby move. The next day, doctors confirmed her baby was indeed alive!

MAY 3 – 7

## Bauleni

with Evangelist David Rotärmel

The original plan was to conduct 10 campaigns. But the CfaN team, always preparing for any contingency, went ahead and prepared an eleventh city (just in case one had a problem and had to shift at the last minute). But although we prepared for the worst, the entire process went so smoothly that the backup location became a bonus

campaign! With 11 campaigns and only 10 days, this meant that Daniel Kolenda would have to minister in two places on one night. On the first

night of the second week, Daniel began by preaching the Gospel in Bauleni, leaving as the “on site” evangelists prayed for the sick.

MAY 3 – 7

## Ngombe

with Evangelists Michael Job and Deborah Cohen

From Bauleni, Daniel was rushed by police escort to the campaign site in Ngombe. He arrived just as Evangelist Michael Job had finished preaching. Daniel then taught on faith and healing before praying for the sick.

This 3-year-old child named Faith was brought by her aunt. We were told that Faith had never stood or walked before. Her family was very worried about her. But that night, she walked for the first time.

A woman arrived who had been carried to the meeting on her daughter's back. Both were weeping with joy as they told us how the mother had been an invalid for so long. But Jesus healed her and now she can walk on her own.

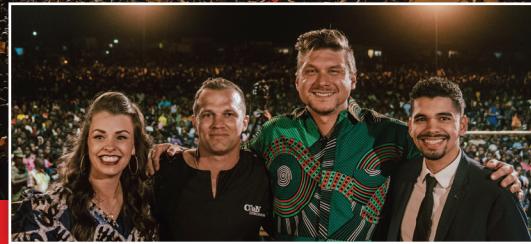

AFRICA

## George

with Evangelists Joe Turnbull and Alejandro Escobar

APRIL 26 – 30

After the prayer for the sick, Evangelist Brittany Sanderlin interviewed those who were healed. There were many testimonies, including two ladies who had suffered from

terrible leg pain that severely limited their ability to walk (one for the past 9 years, and the other for the last 7 years). Both were walking, running, jumping, and praising God!

APRIL 26 – 30

## Garden

with Evangelists  
Gary Smith, Jared Horton  
and Gabriel Garcia

A lady walked up the steps and testified that she had suffered from a stroke 2 years ago. As a result she was unable to walk, but now she is healed!

Daniel Kolenda started his 11-campaign tour in the Garden District of Lusaka. This event, like several others, took place in a compound where many of

the inhabitants rarely, if ever, travel outside. Most have never experienced something like a Gospel Campaign before.

## GOSPEL CRUSADE | AFRICA

MAY 3 – 7

### Mongu

with Evangelists Gary Smith and Alejandro Escobar.

Mongu is a relatively remote place, so it was unexpected to see such crowds. But the hunger, faith and expectations of the people were so high, they came from far and wide. People from distant villages and other towns camped every night on the campaign field.

One woman had been suffering with painful fibroids since 2000. On Thursday, during the prayer for the sick, she noticed that the pain was gone. The next day, she went to the hospital and got checked out. Sure enough, all the fibroids had vanished!

APRIL 26 – 30

### Chipata

with Evangelists  
Robert Enge and Randy Roberts

When Daniel arrived in Chipata, he was greeted by the local bishops and church leaders. At the back of the line was an elderly man who had been the chairman of the very first campaign CfaN did in Zambia back in 1982. He told of how wonderful that campaign had been, and how many people had received Christ. He also shared how many new churches were planted, and that the fruit from that event – 40 years ago – is still evident in Zambia today. Then he said, “We love CfaN campaigns, because they bear fruit that remains.” He added that ever since then, they have been praying for CfaN to come to his city, Chipata. ■

Violet Makura had been in an accident in June of 2022 and couldn't walk without crutches. She can now dance and walk.

Every photo is a different meeting - 55 nights of God's power in action in Zambia!

# Virginia Beach Alive

## Citywide Gospel Events Shaking Virginia

CfaN USA Outreach Director Joe Turnbull, with the America Shall be Saved team and Evangelism Alliance members, set up a Gospel stage right on the beach for Virginia Beach Alive. This was the third in a series of citywide Gospel events shaking Virginia, resulting in a combined total of over 2,500 salvations. Zauntee, Kim Walker Smith, and Nations Worship led anointed worship. Evangelists Daniel Kolenda, Joe Turnbull, and Levi Lutz preached powerful Gospel messages.

USA

## Historic Beginnings

This all started in historic Williamsburg, the birthplace of the nation. A CfaN partner wanted to see her city saved. Evangelist Joe Turnbull found that the doors to the city were wide open. He organized a dynamic Gospel event held on a field down the road from where George Whitefield preached at Bruton Parish. This sparked a move of God that led the team down into the Virginia Peninsula, with a second Gospel event in Newport News.

## Profound Impact

The team has been plowing the ground over the last year, connecting with over 250 pastors and conducting over forty evangelism trainings. They imparted invaluable knowledge to the local leaders on organizing block parties, conducting college campus outreaches, and engaging in one-to-one evangelism. They also held a CfaN Fire Camp in response to the hunger in the region.

**E**vangelist Reinhard Bonnke saw a crusade, not only as a tool to reach the lost, but also as an opportunity to mobilize the local church. When a Gospel campaign comes to town, it not only brings in the lost, but awakens the church to fulfill the great commission.

Joe Turnbull,  
CfaN Outreach Director

An atheist surrendered his heart to Jesus and got baptized: a young woman was set free from depression, anxiety, and fear; and a young man left behind substance abuse and violence to follow Jesus. These are just a few of the people whose lives will never be the same!

Virginia Beach is where the first English colonists landed, and Chaplain Robert Hunt planted a wooden cross in the sand. God led the CfaN team there for a third citywide Gospel event. Many people gave their lives to Jesus and got connected to local churches for discipleship. Others were healed and set free. **In total, over 10,000 individuals attended these three major Gospel events.** God is getting the glory, and America shall be saved! ■

# Double Blessing in Angola

**Evangelists trained by CfaN are making their mark in the world!**

Albertina is 12 years old and had never taken a step before. Her mother carried her to the field, but after an encounter with the King of kings, they walked home hand in hand!

In August and September, Peter Vandenberg (CfaN Vice President) teamed up with Bootcamp graduate Randy Roberts for two Gospel crusades in Luanda, Angola. Randy was the lead evangelist, preaching the Good News each evening. Reverend Vandenberg headlined the daily Fire Conference, where pastors and church leaders were encouraged and challenged to step into their calling.

Peter shared: "We held two Gospel crusades because this widely spread-out city had two high-density residential areas, literally on opposite sides of the city. The people in each of these regions numbered in the hundreds of thousands at each location, but because of geographical and economic factors, neither region's people could travel far to attend an event. So instead of them coming to the crusade, **the crusade came to them.**

Pastors and bishops repeatedly told us that they have never seen anything like this during their lives. All were deeply moved that we came to them as, in their words, 'Nobody comes to help us.'

During the initiative, we recorded 103,110 decisions to follow Jesus! Through our follow-up system, these new believers are being channelled into hundreds of participating churches for discipleship."

Randy added: "We saw so many miracles every night that we could not even hear all the testimonies. So, I just began to bring the people whose miracles had been verified on stage in a line so I could shake their hands and bless them. We didn't have time for everyone to share what Jesus did, so this was the least I could do. The last night was no different. After many people gave their testimonies, we lined up 20-30 people on stage whose blind eyes had been opened, whose deaf ears now heard, who had their tumors disappear, and who experienced many other signs of the power of God." ■

Jose had just been released from prison and was on his way to buy poison to kill himself when he heard the noise of the crusade. He decided to go and listen – and Jesus touched his heart. Instead of dying, he found a new life when he chose to follow Jesus.

AFRICA

# Bold Faith in Ghana

## Unstoppable Fire

Bootcamp graduate Ester Tshimuanga planned her first Gospel crusade last August. There was a fire inside of her that no one could stop! She boldly began plans to reach Techiman, Ghana, a city of approximately 110,000 people. She had a great team of seven CfaN evangelists, including crusade director Albert Anokye Bempah. Planning the crusade was one of the most stretching things she had ever done, but beyond worth it!

She was healed of 5 years of knee pain.

She was paralyzed for 5 months, but all her pain left, and she could move again.

went through all the emotions as I led my first large Gospel crusade. It was intense, but as soon as I saw the first people come to Jesus, I started to cry and said to myself, "It was all worth it!" No matter the intensity, no matter the challenges, no matter how hard it is, a soul stepping into eternity has no price. Let's die to ourselves so others can live! Let's put our shoes on, and let's get people saved!

Evangelist  
Ester Tshimuanga

The spiritual fathers of the city prayed for blessings on Ghana with Ester and the team.

DURING THE INITIATIVE:

121 OUTREACHES

60,221 PEOPLE HEARD THE GOSPEL

25,025 DOCUMENTED SALVATIONS

He had waist pain for 2 years and couldn't bend, until Jesus healed him!

## Gospel Invasion and Event

The team had a three-week Gospel invasion, with youth campaigns, market outreaches, business meetings, a women's conference, and evangelism training. The city was already being shaken by the Gospel, with thousands coming to Christ before the crusade even began! From the first night until the last night of the crusade, Jesus came and transformed lives. Each time the Gospel was preached, the power of God moved, with many salvations, healings, and deliverances. ■

# Revival Fires

## Lit in Southeast Asia

Walking through a marketplace in a predominately Muslim nation, one wouldn't expect to hear the Gospel being preached openly by local evangelists. However, in one region of Southeast Asia, this is now a common occurrence! The region has been forever impacted by the Gospel Festival held there in June 2023 with Andrew Scarborough, Niki Manninen, Kaisa Fischer, and their incredible team. Every week, local believers go out on the streets to preach the Gospel. Salvations and miracles are breaking out, and revival fires are burning!

## Salvations and Miracles

The CfaN teams did outreaches for the three weeks leading up to the event, and over 7,000 people gave their lives to Jesus! Then, over four nights, more

than 20,000 attended the main event. There were notable miracles, including deaf ears opening. A Singaporean medical doctor noted, "I have never seen so many miracles in my life!" It was truly an incredible time, with another 7,000 coming to Christ, making a grand total of 14,262 documented decisions for Jesus!

**The most encouraging part about all of this is that the impact is ongoing!** We are now planning a Fire Camp in this region to raise up even more evangelists for the harvest! To God be the glory, Asia is being saved. ■

# Nights of Hope

## Dynamic Gospel Campaigns in Germany

### Bringing the CfaN Model to Europe

Bootcamp graduate David Rotärmel decided to bring the CfaN crusade model from Africa to Europe, and it's working! Through Nights of Hope (NOH) events, God is moving with salvation, healing, and deliverance in Germany, just as He does in Africa. The Gospel does not change! David's vision is to bring as many people as possible to the foot of the cross, surrendering everything to Jesus. The NOH team starts by connecting with local pastors in a region to work together. The preparation includes prayer, promotion, evangelism training, and outreach. CfaN Africa Director John Darku taught David that a properly organized crusade puts a region into revival before it even starts.

**That is his heart for NOH – to set regions into revival, not just organize events.**

## Germany for Jesus

David went to the first CfaN Bootcamp in 2020. Shortly after that, he joined the first Decapolis crusade team in Tanzania. The Lord spoke to him about reaching Germany so that Europeans could have the same fire and take it to the nations. He planned the first NOH in 2022 on an airfield in Schwenningen, ten minutes from his hometown. In June 2023, NOH reached Friburg. Then, in September, David teamed up with Bootcamp graduate Lukas Report and the CfaN Germany School of Evangelism in Friedrichshafen. The Nights of Hope team includes many Bootcamp graduates passionate to transform regions through Gospel campaigns, in partnership with local churches.

The Nations Church Prophetic Director came to Nights of Hope this summer, and this is what he sensed: *The Lord is raising up young people in Germany to catch the wind of His Spirit who have seen the harvest in Africa. They've seen healings and salvations and fields full of people. And they are hearing the Lord say, "I want to do it here in Europe too!"*

## Salvation and Miracles Breaking Out

At each NOH, the model is the same one that CfaN uses in Africa. They preach the clear Gospel with altar calls, pray for the infilling of the Holy Spirit, pray for the sick, and invite people to testify about the miracles God did. They have "burn barrels" where people can throw in anything

that holds them back from freedom in Christ. The events are always open-air, so that as many people as possible can hear the Gospel. The results were the same as in Africa, with many running forward for salvation and testifying to mighty healing miracles. Backs, shoulders, arms, knees, digestive issues, and more were all healed; a deaf ear popped open; leg braces were tossed aside, no longer needed... Jesus is the Healer! ■

CfaN is truly building a Kingdom family of evangelists working together to shake nations with the Gospel. The fire is spreading!

# Revival is happening in Germany!

**"You can have  
harvest or excuses.  
You can't have both!"**

Evangelist Levi Lutz

## The six-city Revival Tour with Bootcamp Director Levi Lutz was a breakthrough moment for Germany.

Everywhere the team went, the same sense of longing for a move of God was felt. Levi proclaimed a timely message the Lord had laid on his heart. He said himself, "This is not a sermon, it's a prophetic word for this generation, for this time." He spoke on picking up mantles, using the story of Elijah and Elisha. This was a strong call to revival, to living lives of holiness, purity, and dedication unto the Lord. And each time this prophetic message was brought, it had the impact of a sledgehammer.

## No waiting for the altar call

The venue in Hamburg was overflowing. Before the prayer for the sick even started, people began crying out, "I'm healed, in Jesus' name!" It was a scene of joyous, holy chaos. Then, in Hanau, the day began with a "family meeting" with over 100 Bootcamp graduates. It was a precious time of fellowship with CfaN evangelists from all over Europe. That evening, before Levi had finished his message, before he had time for an altar call, people came running forward, even climbing over seats in their eagerness to answer God's call in their hearts. The presence of the Lord was felt so strongly, and several miracles happened. It's time for revival in Europe! ■

# NATIONS COLLEGE

## ***COMING SOON...***

***Online Classes at Nations College!***

The mission of Nations College is to equip biblically-balanced, Spirit-empowered servant leaders for global ministry, which is fostered through a unique learning experience.

Our exceptional **AA in Practical Ministry** 2-year program offers sound theological academics, encounters with the Holy Spirit, and practical ministry experience.

Students who attend Nations College receive nurturing in their walk with God through developing authentic relationships with the faculty, staff, and one another.

The **Encounter Certificate** 1-year program will strengthen your core biblical insights, deepen your knowledge of God, and hone your ministry skills.

**APPLY TODAY!**

# Decade of Double Harvest

## Evangelism Alliance Report

As CfAN approaches 50 years of ministry, we are living in an unprecedented era of mass evangelism, with a network of evangelists ministering all over the globe. The CfAN Evangelism Alliance (EA) now has 2,300 members, trained during five Evangelism Bootcamps, five Schools of Evangelism, and 33 Fire Camps. Decade of Double Harvest Director Macoby Donaldson coordinates the Evangelism Alliance and leads monthly zoom meetings. Through this network Gospel initiatives are birthed, teams are built, and history is made! It truly is a global family of evangelists.

In September, the EA held a Congress where Evangelist Daniel Kolenda announced the vision for 2024: to conduct 50 crusades in honor of 50 years of ministry and Evangelist Reinhard Bonnke's vision of a blood-washed Africa. The Congress was a time to strategize, plan, and build community. The event ended with a Gala celebrating the wonderful work done through the EA members thus far. Evangelist Kolenda called all EA evangelists to join the mission for 2024 and sign a declaration of solidarity.

**With burning hearts, we, the representatives of the 2023 Congress of the Christ for all Nations Evangelism Alliance, do hereby solemnly pledge to fulfill the divine mandate for a Decade of Double Harvest. We will join forces to surpass the prophetic landmark of one hundred million documented decisions for Christ in 2024. Taking the glorious Gospel from Cape Town to Cairo, we will link arms with each other and with previous generations to see the prophecy of a blood-washed Africa fulfilled. We are therefore willing to forsake egos and logos to unite behind this heavenly mandate in 2024. Further, we are willing to lay down our lives, even unto death. May the Lamb that was slain receive the reward of His suffering.**

We will join forces to surpass the prophetic landmark of 100 million documented decisions for Christ in 2024. Taking the glorious Gospel from Cape Town to Cairo, we will link arms with each other and with previous generations to see the prophecy of a blood-washed Africa fulfilled. We are, therefore, willing to forsake egos and logos to unite behind the heavenly mandate in 2024. Further, we are willing to lay down our lives, even unto death. May the Lamb that was slain receive the reward of His suffering.

There was a spirit of unity as everyone signed their names, banding together to see this incredible vision come to pass. In 2024, there will be crusades all over Africa, often simultaneously or back-to-back. CfaN teams will prepare each initiative, working with local leaders. During "Gospel Invasions," we flood the region with one-to-one outreach, Gospel truck preaching, and marketplace evangelism. We are also expanding a strategy called "Aftermath Crusades," where Bootcamp graduates hold Gospel crusades in neighboring cities after a large CfaN crusade. This builds on the momentum and hunger in a region and expands the impact. Our desire is to reach countries and continents, for the glory of God!

GLOBAL

We will have teams doing Youth Crusades all year. This is a great way for Fire Camp and School of Evangelism graduates to team up with Bootcamp graduates to preach the Gospel. In 2023, when we joined forces to reach a nation, we hit over one million salvations in Kenya. There is so much hunger in the young generation—they are ready to receive Jesus, and they need Jesus!

In 2024, our Bootcamp will be held in the spring to quickly equip another class of Navy Seal evangelists for this massive vision. They will continue the harvest work in Uganda and assist with Gospel crusades in the region. We will also have Schools of Evangelism and Fire Camps across the continents throughout the year, to train many laborers for the harvest. Evangelism Alliance members will plan

and execute their own Gospel initiatives all over the globe. These evangelists are on fire, and there is no stopping them. As they plan, they can call on their fellow EA members to join them. We are so much stronger together. It will be glorious! ■

# Fire 23 Conference

## Bringing Revival Fire to Orlando

CfAN hosted Fire 23 in September, a conference filled with vibrant worship, anointed teachings, and life-changing impartations. It was significant to hold the conference in Orlando, Florida - the headquarters of CfAN and Nations Church. This community is experiencing a strong move of God, and Fire 23 fanned the flames of REVIVAL - the conference theme.

### Power and Glory

The event was advertised as three days of power and glory, and that's exactly what it was. The hunger in the room was thick. In every session, it felt like God increased His presence. Each speaker had encouraging and challenging calls to the body of Christ to go deeper with God and press in for the greatest days of harvest. There were prophetic teams uplifting the body of Christ, and an encounter room in which people stayed for hours after the services ended.

**O**ne woman from Kansas came to Fire 23 with arthritis that she had suffered with for over 20 years after a car accident. She needed a miracle!

Andres Bissoni was ministering to the sick, and I was part of the testimony team. The woman said she experienced improvement but not full healing.

We prayed for her again, and she began to jump, fully functional and healed! God gets the glory!

Derek Berchie  
Bootcamp Graduate

The lineup of speakers included Daniel Kolenda, Nathan Morris, Dr. Michael Brown, Stuart Greaves, and Andres Bissoni. Worship was led by Andre Aquino, Ingrid Rosario, Dominique Hughes, and Jackie Baker. Many ran to the altars to receive more of the Holy Spirit. On Friday night, there was a "glory tunnel" where everyone was invited to receive prayer. All who came to Fire 23 were refreshed. They left more on fire for Jesus, and ready for another year of harvest!

## Fire Kids

There's no junior Holy Spirit, and in these strategic harvest times, God also wants to use children to minister His love. The theme of Fire Kids was Ephesians 3:16-19. Nations Kids Pastor, Shawna Stewart, and her team taught about the width, length, depth, and breadth of God's love. Patricia Morris, leader of Birthday Blessing, led the final session about fullness in Christ. She felt inspired to teach on salvation, infilling of the Holy Spirit, impartation, and activation to be used by God.

One child presented a drawing of Jesus with two happy little girls, a dove, and the glory of God. Patricia felt it was a Kairos moment and invited the girl to share about her prophetic drawing. This led to an invitation for the children to run into the arms of Jesus. The children began crying out for more of God, and the Holy Spirit filled the room. Children were weeping, interceding, and praying for each other. One boy started to prophesy, and others testified of healings, visions, and words from God, all the way to the end of the night!

The children had authentic encounters with Jesus that will mark their lives. They've been activated by love and power. No one in this world will be able to convince them that God is not real. They will play a major role in revival in this generation. ■

UPDATE | USA

USA

# Greater Glory

## 2 Years, 2 Campuses

Nations Church celebrated its second anniversary and launched a second campus!

As the church grows and builds with two locations, the values remain the same. The heart of Nations Church is for people to grow in relationship with Jesus, step into their callings, find family, serve together, and reach the lost. Attendees experience God's presence through worship and powerful preaching. There is laughter, fellowship, and community. It's also a hub for CfaN evangelists and their families to grow together.

Nations is the local expression of CfaN, so it's no surprise that members don't just sit in pews. They go to the neighborhoods of Orlando and the nations to share the Gospel, then testify of salvations and miracles. With outreaches, community block parties, and food distributions, the church is impacting the city with the love of Jesus!

The first letters of the mission objectives: Experience, Mobilize, Belong, Empower, and Reach, together spell EMBER. As Lead Pastor Daniel Kolenda explains, "When you push embers together, they stoke one another and erupt into flames. That is a great picture of the church. As individuals, we are embers that, left alone, will smolder and cool down. But when we come together, we stoke one another, and as a body we become a signal fire on a hill for the whole world to see!" ■

# THE ROAD TO 100 Million Souls IN 2024

GLOBAL

# Our recent ventures, like the 11 crusades conducted in Zambia in just two weeks, show that we are ready for this monumental task.

On the following page, you will see where we are planning large Gospel crusades in 2024. We're not just planning to reach more people; we aim to do so more effectively and meaningfully than ever before. We'll do this through pre-crusade Gospel invasions, simultaneous crusades, and aftermath crusades maximizing our impact.

## Why Africa? Why Now?

Africa has always been at the heart of our ministry, from the prophetic words spoken to Reinhard Bonnke 50 years ago to our continuing work today. The spiritual harvest in Africa is ripe, and the moment to reap is now.

## Your Role in This Vision

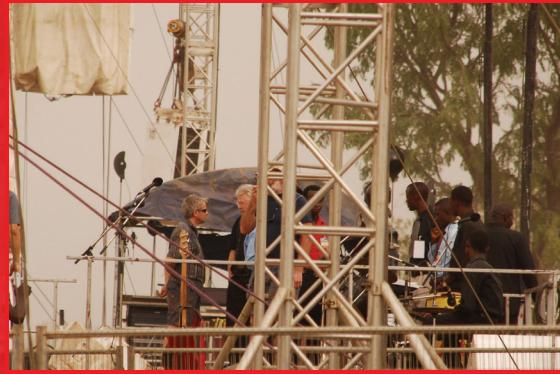

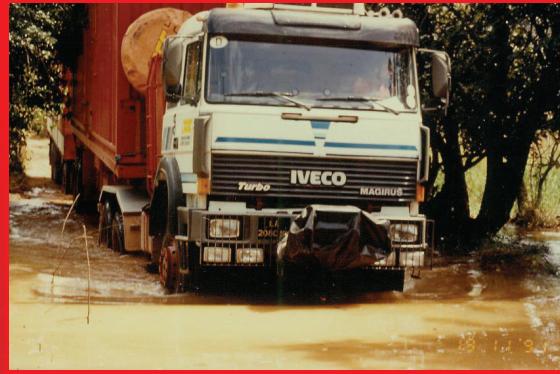

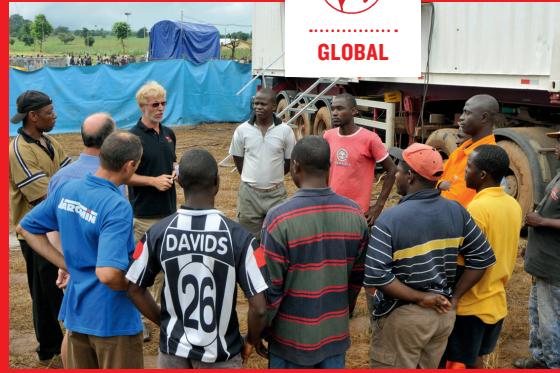

This vision isn't something we can accomplish alone. We're not merely asking for donations; we're inviting you to take real, meaningful ownership in this divine mission. From your prayers, sowing or even adopting your very own crusade, how you choose to participate can impact lives across Africa.

**Would you consider being one of those exceptional individuals who step into this vision with us?**

After all, history is made by those who dare to believe and act. ■
